Health & Safety Compliance

What we are doing in the Restaurant and for Our Team

- All employees' temperatures are checked each day upon arrival.
- All employees' have approved face-masks or visors.
- Seating arrangements in line with Government social distancing rules.
Tables of 4 and 6 ONLY - respect others social distancing bubbles.
- All tables and chairs are fully cleaned after use.
- All menus & condiments are single use disposable environmentally friendly.
- Dedicated employee committed to health and safety to the highest standard.

Your Obligations to help us

- When entering the building you will require an approved mask or visor.
This must be worn at all times other than when seated at your table.
- You should observe social distancing at all times.
- You will be asked to have your temperature checked.
- You must provide your full name and a contact number.
- Our menu will be online to view with your smartphone.
If requested a disposable paper copy will be provided.
- Hand sanitisers to be used on arrival & available throughout the building.
- It is the responsibility of all guests to ensure they remain within their social distancing bubbles at all times.
- Should you be showing any virus symptoms, please re-book with us once self-isolation has taken place.

**Your Health and Safety is absolutely paramount to us
please help us to comply**
